ABOUT SUSANNA

Susanna was truly one of a kind. She was witty, sassy, strong, and beautiful inside and out. She was fierce, a friend to many and always had the ability to draw people in with her genuine care for others. She made people feel noticed and appreciated and overall just had a lighthearted way about her. Susanna was the youngest of 8 children, married for 20 years to her high school sweetheart and a proud mama of 4.

Our lives were completely rocked when we learned of Susanna's cancer diagnosis. She was tough and determined and battled valiantly for 9 short months, but unfortunately lost her battle at the age of 44 years old. Susanna would be proud to know she is being remembered in a way that helps others and provides an impact.

Please join us as we live like Susanna and celebrate her giving spirit with an evening of music, dancing and fun.

OUR MISSION

Infinity–Susanna Smiles supports families with school-age children facing hardship caused by critical illness or loss of a parent.

In honor of Susanna, we provide tailored assistance to families going through difficult times based on four distinct pillars to lessen the financial burden and aid properity.

These funds offer immediate relief, empowering families to allocate support where it's most urgently needed.

Infinity–Susanna Smiles is a public charity operating as a 501(c)(3), focusing on four key pillars to support families facing critical illnesses. These pillars are designed to provide comprehensive assistance covering **health and wellness, childhood prosperity, education, and essential needs,** ensuring no family must navigate these challenges alone.

Health & Wellness

Comprehensive care, including medical, therapy, counseling, and palliative support.

Childhood Prosperity

Compassionate help for children in need, with therapy, supplies, and educational support.

Education

Supporting educational needs through tuition, tutoring, and scholarships.

Essential Needs

Assistance for families affected by parental illness, covering housing, food, and more.

Pledges and sponsor contributions play a vital role in raising essential funds for those in need. These contributions are directed to the respective entities addressing specific needs, rather than being allocated directly to individuals or families. With an all-volunteer board and committee members, we diligently manage the proceeds from our generous supporters, **upholding Susanna's legacy of love and compassion.**

DID YOU KNOW...?

Losing a family member, whether it's a parent or a child, is a profoundly devastating and life-altering experience, often accompanied by significant financial burdens. At Infinity–Susanna Smiles, we offer financial grants to assist families in the greater Kansas City area during these trying times. These funds offer immediate relief, empowering families to allocate support where it's most urgently needed. **Unfortunately, this scenario is more common than we might realize.**

According to the National Alliance for Children's Grief (NACG), an estimated 6 million children in the US will **experience the death of a parent by the age of 18.** That's

1 IN 12

children, or more than 8%.

54%

of patients with critical illness **were financially unprepared,** causing unexpected debt.

22.4%

of individuals with a cancer diagnosis are **a parent of at least one child.**

TESTIMONIALS

from families already impacted by our donations this year

I honestly can't thank you all enough for your generosity to support my family. It's going to help us so much as we navigate these next few months. We are truly blessed and grateful.

—Jamie

I am right by my husband's side currently at the care center. This wouldn't have been possible without your assistance! Such a blessing!

—Kristen

During my prayers this morning I felt peace and a nudge to let you know Susanna's legacy is present! She is ministering to those of us that are walking a similar path. A vision of the infinity symbol filled my thoughts. I love that she chose it to symbolize the endless impact she'll have, and I wanted you to know it's reaching the community in powerful ways every time someone smiles and speaks about her! I only wish I had personally known her! That's a true legacy.

—Kim

In 2024/2025, we provided over

$350,000

to families in need
